The Smoking Duo

Once waiters the decided to share their daily life on social media, following their passion for cooking, began to share with his followers also his experiments, with great appreciation by the community (and excellent results)!

Passion, desire to experiment but above all so much authenticity, which has allowed TheSmokingDuo to create a community that does not miss one of their delicious recipes!

A couple who smokes and cooks with Cannabis, then in Italy, is a valid content.

Jolle e Parole

Jolle e Parole is a synonym of "joints and a chat - canne and chiacchiere", the perfect summary for their contents: news and curiosities of this sector but also tips, reviews and especially humor!

Outside of social Gessica is a true professional in the field: psychiatrist specialized in addictions, consultant for the marketing sector but also an activist!

Giusesso il Maestro

Giuseppe known as Giusesso the Master, Sicilian of origin but moved to the north where he entered the world of cannabis and content creator!

On social media I started with simple gags with friends and then went to videos a little more structured, but his peculiar humor was appreciated immediately, so much so that he earned the title of "Maestro"!

FlyingHigh.it

www.flyinhigh.it is the first - and for now only Cannabis Tour Operator in Europe.
It's a project of mine that saw the light in 2022 thanks to the collaboration between Gessica and Francesca.

An account where the trips themselves are the real creators, to let you discover the perfect holiday to visit dispensaries, clubs, coffeeshops, farms and outside, as well as living experiences
